

PROPELHER  
PITCH  
COMPETITION

Take Flight Business  
Conference featuring the

**PROPELHER PITCH  
COMPETITION**

## WHAT IS THE PROPELHER PITCH COMPETITION?

Hosted by the Orlando chapter of NAWBO (National Association of Women Business Owners), the PropelHER Pitch Competition gives women business owners an opportunity to showcase their businesses or business concepts, present their winning pitch, and compete for cash prizes and in-kind services.

The pitch competition is part of a new, full-day Take Flight Women's Business Conference, featuring engaging, informative sessions on leadership, education, wellness, and advocacy. Together, the conference and pitch competition will inform and inspire women business owners from the Central Florida region.

One of the ways you can help make this conference successful is to invest as a Sponsor. Our various sponsorship packages will benefit your business by providing visibility among this influential audience.
